

NOTRE-DAME-DE- COMPASSION CHAPEL

Snuggling at the foot of the rock on which Bâtiaz Castle is situated, this place of worship possesses numerous wealthy objects.

The little Chapel of Our Lady of Compassion contains a remarkable collection of coloured ex-voto as well as magnificent stain-glassed windows created by Father Kim En Joong. The ex-voto, dating from the 18th and 19th centuries, decorate the right wall of the chapel. The stained-glass windows were offered by Léonard Gianadda.
