## HUTS TRAIL

**Take a walk in autumn and enjoy the beautiful colours by picking up the marvellous Fully chestnuts.**

This walk offers an exceptional view of the Rhône plain and links the Branson chestnut forest with that of Vers-l'Église. There are several information panels along the trail giving explanations about the evolution of the vine over the seasons, as well as of the Fully vineyards. During your walk, you can also discover the numerous vineyard huts scattered throughout the vineyards. These little buildings, used throughout the vine growing season, also serve as shelters for the workers' breaks, especially at harvest time!

### **Path to follow:**

Rhône bridge > Branson > Combe d'Enfer > chestnut forest > Belle Usine > Fully Creppier (bus stop)

### **Hike information:**

- Pedestrian Path / Tarred road
- Hiking time: 1h30
- Difference in height: +192 m / -192 m
- Length: 4.3 KM
