## Temporarily cancelled - Exhibition

Raphaël Stucky was born in 1989 in Ernen in Valais and lives and works in Basel. He graduated with a Master's degree from the Zurich University of the Arts in 2018. He works in various media and supports: video, photography, performance, installation, sculpture, painting and drawing, with the themes of daily life and the unnoticed. His works are imbued with delicacy, even fragility, while at the same time demonstrating strength and intensity. At the Manoir, he will present a series of recent sculptures and paintings.
