
SYLVIE VARTAN “LE RÉCITAL”

Concert

Sylvie Vartan will confide in us as she has never done before during a recital of the most beautiful and timeless songs of her repertoire, but not only... Accompanied on the piano by “Gérard Daguerre”, on the double bass and cello by “Benoît Dunoyer de Segonzac”, and “Sophie Thiam” as a backing singer. Her interpretations, all mixed with passion and emotions, will make this meeting a unique moment.
